### INTERNSHIP COMPLETION LETTER

This is to formally certify that **Mr. Amrit Sapkota** successfully completed 2 months internship as a Backend Developer Intern at Pravidhi Digital Innovations Nepal Pvt. Ltd..

During the internship period, Mr. Sapkota was actively involved in Back End-based web application development, where he worked on:

- Server-side development and REST API implementation
- Database design, integration, and management
- Authentication and authorization (JWT/session-based)
- Backend security best practices and error handling
- Collaborative development within an agile team environment

He demonstrated strong technical aptitude, learning agility, and professional discipline throughout the internship. His ability to understand requirements, translate designs into functional interfaces, and adapt to real-world development workflows met our organizational expectations.

We found him to be dedicated, responsible, and capable of handling assigned tasks with minimal supervision. His contribution added measurable value to ongoing projects.

We wish Mr. Sapkota every success in his future academic and professional endeavors.

For any further verification, this letter may be considered authentic and valid.
